

RIVER OF LIFE CHRISTIAN SCHOOL
MISSION STATEMENT

Mission:

As a ministry of River of Life Baptist Church, River of Life Christian School, in accord with the Bylaws, Constitution and Doctrine of River of Life Baptist Church exists as a vehicle of the church to: Exalt God by providing quality religious and academic education to all students attending River of Life Christian School. Extend the Kingdom by providing educational service to students and their families so that we may earn the right to share the truth of Christ and invite them into relationship with Christ. Equip the Body by educating students in both their spiritual and academic lives so that they are equipped to carry out the work of the Gospel of Jesus Christ, in their homes, in their workplaces and in their communities and to see to it that every student who attends the school is plugged into and attending a bible believing, Christian Church for their own spiritual accountability. Encourage the Family by providing students an education that is biblical in its world view but practical as it relates to the world in which we live and which parents and students are confident is the best that they can get.
